Dear Sektion,

Subject: Invitation to International Day 2015 at Linköping University

We would like to invite the student union and all sektioner to the annual international student festival IDAY at Linköping University in Linköping, Sweden. This year we celebrate the 10th anniversary of the festival which has been one of the largest international student festivals in the region. The event is a gathering of all different nationalities at the university to display their own culture and traditions. At IDAY 2014, we had 22 different nationalities being represented at the event.

To celebrate this joyous occasion and our 10th anniversary we would like to extend our invitation to you. For the Swedish students it is a great opportunity to come and visit students from around the world studying right here at LiU. There will be opportunities to learn and interact the various students representing their cultures from around the world. For the international students on the other hand it is a great opportunity to showcase their own country, culture and traditions. The Swedish students attendance would also reaffirm the great support provided by student unions and sektioner towards the international students at the university.

The event is organized by International Students Association (ISA) with the support from Linköping University. ISA is a non-profit student association run by international students. The student association represents all the international students and is working towards creating a more meaningful and comfortable international atmosphere at the university for the students.

At the event, there will be a fair where students from different nationalities will display the culture and traditions from their own countries. There will also be some traditional performances by the students at the event. This year the event will be held on the following date.

Date: 10 April, 2015

Time: 10:00 – 17:00

Venue: Campus Valla, Linköping University, Linköping, Sweden – 58183

In conclusion, we would like to express our gratitude towards all the support provided to international students by the student unions and sektioner. Hope to have your presence at the 10th anniversary of the International Day, IDAY 2015. Any support that can be provided for the event is also appreciated.

Best regards,
Zahid Aslam
